THE CLOCKS INDICATE THE TIME RELATIONSHIP BETWEEN THE ZONES
LES HORLOGES INDIQUENT LA RELATION ENTRE LES FUSEAUX HORAIRES

LIGHT SAVING TIME
n year Daylight Saving Time comes into effect in Canada, but is not observed over
t of the Province of Saskatchewan. The transition from Central Daylight Time to
ıntain Daylight time therefore occurs at the Manitoba-Saskatchewan border

RE D'ÉTÉ
ure d'été entre en vigueur tous les ans au Canada sauf dans la majeure partie
a Saskatchewan. La transition entre l'heure avancée du Centre et l'heure
ıcée des Rocheuses se fait donc à la frontière entre le Manitoba et la Saskatchewan.

The Government of Canada telephone directory is now accessible electronically through either Publiservice or the Canada Site.

Publiservice

Publiservice is the Primary Intranet Site for the GOC, providing a single window access to a wide range of information and electronic services for public servants. Access is exclusively through GENet by http://publiservice.gc.ca.

The Canada Site

GTIS operates the GOC's Primary Internet Site at http://canada.gc.ca. The Canada Site provides a focal point for all federal Internet-available information and services. It also provides the ability for the public to search and locate information on federal organizations.

L'annuaire téléphonique du gouvernement du Canada est maintenant accessible électroniquement, soit sur Publiservice, soit sur le Site Canada.

Publiservice

Publiservice est le site principal à l'intérieur du réseau pour le gouvernement du Canada. Il fournit aux fonctionnaires un accès par guichet unique à une large gamme de services électroniques et d'information. L'accès se fait uniquement par l'intermédiaire du SREG, à l'adresse http://publiservice.gc.ca.

Site Canada

Les SGTI exploitent le site Internet principal du gouvernement du Canada, à l'adresse http://canada.gc.ca. Le site Canada fournit un point central pour tous les renseignements et services du gouvernement fédéral qui sont disponibles sur Internet. Il donne aussi au public la possibilité de chercher et de localiser de l'information sur les organismes fédéraux.

GTIS/SGTI

The Government of Canada Telephone Directory is produced and managed by the Government Telecommunications and Informatics Services (GTIS) of Public Works and Government Services Canada.

The telephone directory is also available electronically. Federal public servants have access to the directory through the federal government's Intranet called Publiservice; and the Canadian public through the Government of Canada Primary Internet Site at http://canada.gc.ca/.

The electronic telephone directory is maintained and updated on an ongoing basis by the Government Electronic Directory Services (GEDS) of GTIS. As with the paper version, the electronic directory is a bilingual, national directory of federal employees. It is easy to use and can rapidly be searched to locate the names, titles, positions, telephone and fax numbers, e-mail (Internet and X.400) and office addresses of federal public servants across Canada. GEDS also provides the organizational hierarchy of the federal government and departments.

For more information on GEDS and other GTIS initiatives, please contact GTIS Client Service General Enquiries at (819) 956-6085 or 1-877-588-8801, or, visit our Web site at http://publiservice.gc.ca/gtispromo.

Paper directories may be ordered by calling the Canadian Government Publishing order desk at (819) 956-4800 if you are in the National Capital Region (NCR), or 1 (800) 635-7943 from all regions outside the NCR.

L'annuaire téléphonique du gouvernement du Canada est produit et géré par les Services gouvernementaux de télécommunications et d'informatique (SGTI) de Travaux publics et Services gouvernementaux Canada.

L'annuaire téléphonique est aussi accessible électroniquement. Les fonctionnaires fédéraux ont accès à l'annuaire au moyen de l'Intranet du gouvernement fédéral, c'est-à-dire Publiservice. Le grand public canadien a accès à l'annuaire à partir du site Internet principal du gouvernement du Canada, à l'adresse http://canada/gc/ca/.

L'annuaire téléphonique électronique est administré et mis à jour sur une base permanente par les Services d'annuaires gouvernementaux électroniques (SAGE) des SGTI. Tout comme la version sur support papier, l'annuaire électronique est un répertoire national bilingue des employés fédéraux. Il est convivial et permet de trouver rapidement le nom, le titre, la fonction, le numéro de téléphone, le numéro de télécopieur, l'adresse électronique (Internet et X.400) et l'adresse de bureau des fonctionnaires fédéraux à l'échelle du Canada. Les SAGE présentent aussi la hiérarchie organisationnelle du gouvernement fédéral et des ministères.

Pour plus d'information sur les SAGE et les autres initiatives des SGTI, veuillez appeler au service de demande de renseignements des Services à la clientèle des SGTI au (819) 956-6085 ou au 1-877-588-8801, ou, visitez le site Web des SGTI à l'adresse suivante : http://publiservice.tpsgc.gc.ca/promosgti.

On peut se procurer un annuaire sur support papier en téléphonant au comptoir de commande des Éditions du gouvernement du Canada, au (819) 956-4800, dans la région de la Capitale nationale (RCN), ou au 1-800-635-7943, à l'extérieur de la RCN.

Enquiries/Renseignements

ENQUIRIES

Every telephone conversation with the public is a prime opportunity to establish good relations between the Government of Canada and the people it serves. Many people do not know which department or agency is responsible for the program they are seeking. Remember that Canadians should be able to communicate with, and obtain services from, the federal government in the official language of their choice. Here are some other points to remember:

- Answer the telephone by identifying yourself or your organization in both official languages.
- If you cannot provide service in the language used by the caller, offer to transfer the caller to someone who can.
- When transferring a call, inform the person being called of the language used by the caller.
- Do not ask callers to identify themselves before informing them of the availability of the person they are calling.
- If it is necessary to put a caller on hold, be sure to return to the line at frequent intervals.
- It is up to you to transfer callers to the correct office when they have reached a wrong number.
- Trying to track down a federal program or service? Call your local Reference Canada office.

RENSEIGNEMENTS

Chacune de vos communications téléphoniques avec le grand public est une occasion importante de créer de bonnes relations entre le gouvernement du Canada et la population qu'il dessert. Un grand nombre de personnes ne savent pas quel ministère ou organisme est chargé du programme qu'elles cherchent. Rappelez-vous que les Canadiens devraient être en mesure de communiquer avec le gouvernement fédéral et d'obtenir des services dans la langue officielle de leur choix. Voici quelques autres points qu'il serait bon d'observer :

- Donnez votre nom ou identifiez votre organisme dans les deux langues officielles lorsque vous répondez au téléphone.
- Si vous n'êtes pas en mesure d'offrir le service dans la langue de l'interlocuteur, demandez-lui si vous pouvez réacheminer l'appel vers quelqu'un qui pourra le faire.
- En réacheminant un appel, informez le destinataire de la langue dans laquelle l'interlocuteur s'est adressé.
- Ne demandez pas à la personne qui appelle de s'identifier avant de vous assurer de la disponibilité du destinataire de l'appel.
- S'il est nécessaire de faire attendre l'interlocuteur, n'oubliez pas de reprendre la communication à des intervalles réguliers.
- Réacheminer un appel au bureau approprié si le correspondant s'est trompé de numéro.
- Vous cherchez des renseignements sur un programme ou un service du gouvernement fédéral? Téléphonez à votre bureau local de Référence Canada.
